

## AMT Reference List

### AMT's Customers for Vacuum Proofed Components

Customer	Country	Description of Delivered Vacuum Proofed Components	Process
<b>Tocalo</b>	Japan	Type IRB1400 Vacuum Sealed Robot with external Axis and UT-1V Turntable, incl. Integration	for VPS
<b>Siemens TACR</b>	Germany	Water Cooler and Modifications of Existing System Water Cooling Concept	for LPPS*
<b>Siemens TACR</b>	Germany	2-Stage Vacuum Pump Units with Piping and Vacuum Filter, incl. Integration	for LPPS*
<b>Siemens TACR</b>	Germany	Type Twin 20MFC/V Powder Feeder and Temperature Camera, incl. Integration	for LPPS*
<b>Tocalo</b>	Japan	Type MP-200 Plasma Control System, complete Type VPCS Vacuum Control System, complete 3-Stage Vacuum Pump Unit incl. Vacuum Filter System with Gas Cooler and Piping	for VPS
<b>Tocalo</b>	Japan	Type MP-200 Plasma Control System, complete Type VPCS Vacuum Control System, complete Type IRB1600 Vacuum Sealed Robot with external Axis and UT-1V Turntable, incl. Integration	for VPS

\* Remark: LPPS is a registered trade mark from Sulzer Metco
